Chester County Economic Development Council

More about GETT: Girls Exploring Tomorrow's Technology® (GETT) is an exciting one-day event for girls in grades 5 through 10 and that features hands-on STEM activities led by a diverse group of women in STEM from across Eastern PA and beyond. Attendees learn the facts about how STEM careers can be fulfilling, fun, and rewarding personally, professionally and financially. GETT is sponsored by the Innovative Technology Action Group (ITAG).
